INTERNAL AUDITOR'S REPORT

Job No. 1058

December 6, 2010

Members, Board of Supervisors Hall of Administration Building 333 W. Santa Ana Blvd., 5th Floor Santa Ana, CA 92701

Pursuant to Government Code §26920(a), we have reviewed the accompanying Statement of Assets Held by the County Treasury as of September 30, 2010 (financial statement). All information included in this financial statement is the representation of the management of the Treasurer's Office.

Our review was conducted in accordance with *Government Auditing Standards* issued by the Comptroller General of the United States. A review consists principally of inquires of department personnel and analytical procedures applied to financial data. The Treasurer's Office prepared a statement showing the amount and type of assets held in the County Treasury as of September 30, 2010. Our review included the following procedures:

- (1) Counting cash in the County Treasury and confirming cash and investments held on behalf of the Treasurer's Office.
- (2) Verifying that the records of the County Treasury and Auditor-Controller are reconciled for cash and investment accounts.

Based on our review, with the exception of the matter described in the following paragraph, we are not aware of any material modifications that should be made to the accompanying financial statement prepared on the cash basis, as modified, which is a comprehensive basis of accounting other than United States generally accepted accounting principles. Accordingly, it is the Treasurer's policy to not recognize trades until the settlement date.

Management has elected to omit all disclosures ordinarily included in a financial statement prepared on the cash basis as modified. If the omitted disclosures were included in the financial statement they might influence the user's conclusions about the Treasury's assets. Accordingly, this financial statement is not designed for those who are not informed about such matters.

Members, Board of Supervisors December 6, 2010

The Treasurer-Tax Collector's Office has its own separate accounting staff and Fund Accounting System that maintain the Treasury financial records. Treasury staff is responsible for the recordation and reconciliation of the Treasury's cash and investments and also reconciles the Treasury financial systems.

The Auditor-Controller is elected by and accountable to the citizens of Orange County. The Auditor-Controller General Ledger Unit is responsible for the reconciliation of the Treasury cash fund balances to the County general ledger. We are disclosing this relationship because the Controller's role may be perceived as a potential impairment to our independence. However, the Internal Audit Unit that conducted this review is organizationally located outside of the line-management function of the Auditor-Controller's Office and is not responsible for the recordation or reconciliation of financial transactions. The Internal Audit Unit reports administratively to the elected Auditor-Controller.

Nevertheless, the reader of this report is advised to consider the above disclosure when using this report.

This report is intended for the information of the management of the County of Orange Auditor-Controller. However, this report is a matter of public record and its distribution is not limited.
