

# OC Rideshare Program Guidelines

These incentives are managed by County Executive Offices - HRS and are for all County of Orange and Orange County Superior Court employees. If you have agreed to be matched with potential rideshare partners, you are agreeing that your work contact information will be shared with other employees interested in carpooling or vanpooling. It will be your responsibility to contact individuals you are matched with should you desire to participate in a carpool or vanpool arrangement. Participation is voluntary. Ridesharers are completely responsible for the operation of their carpools or vanpools. The County of Orange has no responsibility or liability for any claims, expenses or damages resulting from any individual's participation in a rideshare mode. Certain incentives will be reported as income. For questions, please call (714) 647-1931 or [rideshare@ocgov.com](mailto:rideshare@ocgov.com).
