YOUR ORANGE COUNTY BOARD OF SUPERVISORS

2013

YOUR BOARD OF SUPERVISORS

The cities and unincorporated areas in Orange County are divided into five Supervisorial Districts. Although the districts vary in physical size, their populations are approximately the same, and each district elects a Supervisor to a four-year term. Each Supervisor can serve two four-year terms.

Terms are staggered so that all Districts do not have elections at the same time. The Second, Fourth, and Fifth Districts will have elections in 2014, and the First and Third Districts will have elections in 2016.

These five elected officials comprise the Orange County Board of Supervisors. Every year, the Board elects two of its members to serve as Chairman and Vice Chairman.

WHAT THEY DO

The Board oversees the management of the County government and its many special districts. In its legislative duties, the Board adopts ordinances, resolutions and minute orders within the limits prescribed by State law. As an executive body, the Board:

- Establishes policy
- Approves the annual budget
- Appoints a County Executive Officer, County Counsel, Clerk of the Board, Internal Auditor, Public Defender, Public Guardian and Performance Audit Director
- Approves contracts for projects and services
- Conducts public hearings on land-use and other matters
- Makes appointments to boards, committees and commissions

The Board's legislative and executive activities are conducted at public meetings with certain personnel and legal matters discussed in closed sessions.
