LOCATION:

Orange County Fire Authority Headquarters
1 Fire Authority Road, Irvine, CA [Map](#)

COURSE DESCRIPTIONS:

- **Review and Basic Level**

This course is designed for those just getting started with the report writer and/or those who have used it before and would like a review of the basics. Requirements: Laptop Computer with wireless connectivity (Wi-Fi or broadband), OC-MEDS user account with report writer access.

- **Intermediate to Advanced Level and 'What's New'**

This course builds on the content provided in the 'Basic Level' course and also provides an overview of new report writer capabilities. Requirements: Laptop Computer with wireless connectivity (Wi-Fi or broadband), OC-MEDS user account with report writer access.

CEUs:

These courses have been approved for three (3) hours of EMS Continuing Education (CE) Credit each by Orange County EMS, California EMS CE Provider #30-0001.

There is no cost for these courses but you must register to attend.
