If the Union desires to negotiate a change in wages, that request shall be submitted no later than the ninetieth (90th) calendar day before expiration of this Agreement. Negotiations shall conclude thirty (30) calendar days before expiration of this Agreement unless extended beyond that date by mutual agreement of both parties.

## ARTICLE II WORKWEEK, OVERTIME AND PREMIUM PAY

## Section 1. Workweek

#### A. The official workweek shall be as follows:

The official workweek for full-time employees shall be forty (40) hours and shall begin on each Friday and end with the following Thursday at 12:00 midnight except for employees working alternate schedules, such as a 9/80. For these employees the beginning and end of the workweek shall be the mid-point of their eight (8) hour day. However, if operational needs require an alternate schedule that does not meet the parameters described above, a different workweek may be designated.

Work ordered and performed in excess of forty (40) hours actually worked in a workweek shall be overtime.

Overtime shall be calculated on hours paid in excess of forty (40) in a workweek when work ordered by a Manager causes an employee to work beyond the end of the normal scheduled work shift for purposes of completion of a specific job.

- 2. Employees shall receive compensation on a biweekly basis. The pay period for employees in specified agencies, departments or divisions shall start on a Friday and end on the second Thursday thereafter.
- B. The regular hours of work each day shall be consecutive. Hours of work will be considered consecutive if divided only by normal meal breaks or rest periods.
- C. The County agrees to give employees a seven (7) calendar day advance notice of a schedule change. Changes of three (3) days duration or fewer shall be permitted without the required advance notice if mutually agreed to by both the County and employee. "Primary Operators" shall be given fourteen (14) calendar days advance notice of a schedule change.
- D. Employees assigned as "Relief Operators" may be assigned to another schedule when they are needed to cover an unscheduled absence. "Relief Operators" shall be given twenty-four (24) hours advance notice of a schedule change.
- E. Work schedules for shift assignments showing employee's shifts, workdays and hours shall be posted on agency/department bulletin boards at all times.
- F. Employees in the classes of Plant Operating Engineer and Assistant Plant Operating Engineer may trade shifts only upon written request and permission of supervision.

- G. Work shall not be regularly scheduled on more than ten (10) calendar days during any pay period. The regular work schedule shall be one (1) of the following: ten (10) eight (8) hour days on and four (4) days off, five (5) eight (8) hour days on and two (2) days off, or four (4) ten (10) hour days on and three (3) days off or four (4) nine (9) hour days each week and one (1) additional eight (8) hour day on alternate weeks. All employees in the Unit shall be scheduled at least two (2) consecutive calendar days off.
- H. The County shall discuss with the Union any proposed changes in existing scheduled hours of work before such changes are put into effect.
- I. Except as otherwise provided, no employee may be employed in one (1) or more positions, full or part time, more than the total number of hours for the employee's work period as defined in Section 1.A., above, except on authorized overtime.
- J. In addition to any other position or positions that are held, an employee may also voluntarily work in a capacity authorized for the Registrar of Voters in the course of an election provided that such election work does not unduly interfere with the employee's regular assignment. Election work shall be compensated at the rate authorized for such work.

#### Section 2. Rest Periods and Cleanup Time

- A. Employees may be allowed rest periods not to exceed fifteen (15) minutes during each four (4) consecutive hours of work. Such rest periods shall be scheduled in accordance with the requirements of the agency/department, but in no case shall rest periods be scheduled within one (1) hour of the beginning or the ending of a work shift or lunch period. The County may designate the location or locations at which rest periods may be taken. Rest periods shall be considered hours worked and employees may be required to perform duties, if necessary.
- B. Each employee shall, when necessary, be permitted up to fifteen (15) minutes of paid County time at the end of each work shift to perform such activities as cleaning up a work area, putting away tools, personal wash up and changing clothes.
  - A. and B., above, shall not apply to employees standing a watch.

## Section 3. Meal Breaks

A. Employees standing a watch who are required to remain on the job at their work station for the full shift period shall be permitted to take a meal period while on the job when conditions permit, without such time being deducted from hours worked.

B. All other employees shall be permitted to take a meal period, not to exceed thirty (30) minutes, at a time designated by the agency/department at or near the middle of the shift, with such time not being considered hours worked.

#### Section 4. Overtime

### A. <u>Notification of Employees of Work Required Beyond Normal Schedule</u>

If in the judgment of the agency/department, work beyond the normal day, workweek or work period is required, the agency/department will notify any employee who may be asked to perform such work of the apparent need for such overtime as soon as practicable prior to when the work is expected to begin. When necessary to meet the needs of the County, the County shall have the right to require the performance of overtime including requiring Plant Operating Engineers or Assistant Plant Operating Engineers to remain at work after the end of their scheduled shift until relief is available. If this additional work results in hours worked in excess of forty (40) hours in the employee's designated workweek, the employee shall be compensated for these excess hours at the overtime rate as defined by Section 4.C.1.

Overtime scheduled but cancelled fewer than twelve (12) hours prior to the starting time shall entitle the employee to elect to work a minimum four (4) hours, or more as determined by the County, beginning at the originally scheduled time.

#### B. <u>Distribution of Overtime and Call-Back</u>

- 1. Whenever overtime work is required, not including overtime work required to maintain continuous coverage on twenty-four (24) hour, seven (7) day operation, the County shall make a reasonable effort to make voluntary overtime and call-back opportunities available on an equitable basis to qualified employees in appropriate classes.
- 2. The County shall prepare a separate overtime and a separate call-back list for each class and work location in each agency/department. Names shall be placed on the list in order of seniority within class, showing offers and hours worked by each employee. An updated list will be posted and provided to the Union steward at least monthly.
- 3. Except in cases of emergencies, offers to work overtime or call-back shall be given in sequence going down the list from the last previous person working overtime/call-back, other emergency or project starting during an assigned shift until an employee agrees to work. An employee who declines the overtime/call-back, is not available, or cannot be reached at work or at home by phone, will be bypassed. When the bottom of the list is reached, overtime/call-back opportunities shall be offered to employees starting at the top of the list. Any employee who is inadvertently passed over for an overtime or call-back

- opportunity shall be offered a choice of one (1) of the next two (2) available opportunities.
- If every employee on the list declines the overtime/call-back, the County may require employees to perform overtime/call-back in the reverse order of their seniority in the class.
- 5. If the overtime is necessary on a project that started during an assigned shift, or on a project that requires special skills or knowledge, the employee(s) working on the project may be required either to continue working on the project or to be scheduled to return to work on the project.
  - In cases of scheduled overtime work requiring more than one employee to return to a work site, the overtime list will be utilized as provided in 4.B.3. to obtain additional employees needed.
- 6. Employees shall be considered eligible for scheduled overtime or call-back except where:
  - a. Employee is on Workers' Compensation Leave.
  - b. Employee is on unapproved leave without pay.
  - c. Employee is required to obtain a medical clearance before returning to work.
  - d. Employee has submitted a written request to be excluded from scheduled overtime and/or call-back.
  - e. Employee is on paid vacation.

## C. Payment for Overtime

- 1. Overtime shall be compensated at one and one-half (1 1/2) times the employee's regular base rate.
- 2. For all regular, limited-term and probationary employees, overtime may be converted to compensatory time or paid for at the option of the agency/department. Consideration shall be given to effectuating the wishes of the employee. Employees designated by the Human Resources Director as covered by the Fair Labor Standards Act shall be paid in accordance with that Act. Employees with existing compensatory time balances of eighty (80) hours shall be paid for all overtime work performed in excess of that amount unless a higher compensatory time balance is authorized for an agency, department, division or other work unit by the County Executive Officer. When a higher compensatory time balance is authorized, employees subject to such larger balance shall be paid for all overtime work performed in

excess of the designated larger compensatory time balance. Except as provided in Section 4.C.8., below, lump sum payments for compensatory time balances shall be at agency/department discretion.

- 3. Employees who work overtime shall promptly and accurately report such time in a manner prescribed by the County.
- 4. Overtime hours worked by extra-help employees shall be paid.
- Compensatory time earned and accrued by an employee in excess of thirty-two (32) hours may be scheduled off for an employee by his or her agency/department; however, consideration shall be given to effectuating the wishes of those employees requesting specific compensatory time off periods.
- 6. In no case may an employee's work schedule be changed during the workweek when the purpose of such change is to avoid overtime compensation.
- 7. Time worked as overtime shall not be used to earn fringe benefits or to serve out probation periods. Compensatory time off may be used as part of the established workweek to earn fringe benefits and to serve out probationary periods.
- 8. An employee separating from the County service shall be paid for accumulated compensatory time in a lump sum payment.

#### Section 5. Premium Pay

#### A. Night Shift Differential

For purposes of this Section, night shift shall mean an assigned work shift of seven (7) consecutive hours or more which includes at least four (4) hours of work between the hours of 4 p.m. and 8 a.m. Overtime which is worked as an extension of an assigned day shift shall not qualify an employee for night shift differential. The rate of night shift differential shall be five and one-half (5 1/2) percent of the employee's basic hourly rate.

#### B. On-Call Pay

- 1. When an employee is assigned on-call duty by the County, the employee shall be informed in writing, in advance whenever practicable, of the dates and inclusive hours of such assignment; the employee shall be compensated at one-fourth (1/4) of his or her basic hourly rate for the entire period of such assignment.
- 2. On-call duty requires the employee so assigned: (1) to be reachable by telephone or other communications device, and (2) be able to report to work in a reasonable time fully able to perform the assigned duties.

#### C. Call-Back Pay

- 1. When an employee returns to work because of an agency/department request made after the employee has completed his or her normal work shift and left the work station, the employee shall be credited with four (4) hours work plus any hours of work in excess of four (4) hours in which the employee is continuously engaged in work for which he or she was called back, beginning at the time the employee reports to the work site and ending at the time the employee leaves the work site. An employee shall report his or her arrival at the work site to the appropriate facility and shall report the completion of the job to the appropriate facility prior to his or her departure from the work site.
- 2. Call-back shall be paid at one and one-half (1 1/2) times the regular rate.
- 3. There shall not be any duplication or pyramiding of rates paid under this Section.
- 4. An employee credited with four (4) hours pursuant to this Section may be assigned other work appropriate for employee's position classification until the guaranteed time has elapsed.

## D. <u>Elevated Work Pay</u>

Employees who work upon scaffolds or hanging platforms, at or above twenty (20) feet above grade (i.e., swing stages and bosun's chairs) including work upon a platform while rigging, shall receive an elevated work pay differential. The differential will be paid only for those hours actually worked under these conditions provided that there shall be a minimum payment of four (4) hours for any day in which qualifying work is performed. Travel time shall not be considered qualifying for this differential. The rate of elevated work pay differential shall be five (5) percent of the employee's basic hourly rate.

#### E. Water Craft Differential Pay

Employees in positions in the classes of Painter and Carpenter regularly assigned to work on County watercraft, shall receive a differential of fifty (50) cents per hour for each hour actually worked.

#### F. Relief Operator Pay

An employee assigned as Relief Operator shall receive an additional one dollar (1.00) per hour for each hour actually worked.

## G. <u>Jail Supplemental Pay</u>

- 1. Except as provided below, an employee who is regularly assigned to the Central Jail, Theo Lacy Branch Jail or James Musick Facility shall be paid an additional one-dollar (\$1.00) per hour for all hours actually paid.
- 2. Jail Supplement Pay shall not apply to Workers' Compensation pay or be used as a base rate for overtime, other premium pay, etc.

## H. Plant Air Conditioning Mechanic Pay

An employee in the class of Air Conditioning Mechanic assigned to the Central Utility Facility shall receive an additional one dollar (1.00) per hour for each hour actually worked.

## I. Confined Spaces Pay

Employees will be paid one-dollar (\$1.00) per hour for all hours worked in a permit-required confined space as defined consistent with California Code of Regulations Title 8, General Industrial Safety Orders, Article 108, Section 5157. Time taken at the confined space worksite wearing safety gear in preparation for entering a permit-required confined space shall count as time spent actually working in confined spaces. Time worked will be calculated to the nearest quarter hour.

- A. When a probationary employee, an employee who has been on a temporary promotion or regular employee who was promoted to a limited-term position at the direction of the employee's Agency/Department Head is reduced to a class not previously occupied by the employee, the employee shall receive the recruiting step for the lower class, or the flat-rate salary, as applicable.

- 3. Grievance/Appeal hearings by an arbitrator shall be private.
- 4. Arbitration appeal hearings of suspensions of less than forty (40) hours shall be limited to one (1) day unless both parties agree that a longer hearing is necessary. Both parties shall be allotted equal time during arbitration hearings involving such suspensions. The one (1) day limitation for arbitration appeal hearings shall not apply to suspensions imposed by the County Executive Officer.
- 5. The arbitrator shall be selected by the mutual agreement of the parties. If the parties cannot agree upon an arbitrator, a list of seven (7) arbitrators shall be obtained from the California State Conciliation Service, the American Arbitration Association or some other agreed upon source, and each party shall alternately strike one (1) name from the list until only one (1) name remains.

Such evidence shall be provided no later than ten (10) calendar days prior to the scheduled hearing date. Any evidence not so provided may not be admitted or offered as evidence at the subsequent hearing except that any such documentary evidence discovered by a party after such a request for copies but not soon enough to comply with the above time limits may be admitted providing it could not have been discovered sooner by reasonable means and provided further that a copy or copies of such evidence be afforded the requesting party as soon as practicable after such discovery. If the employee does not testify in his or her own behalf, the employee may be called and examined as if under cross-examination.
- 9. The hearing need not be conducted according to technical rules relating to evidence and witnesses. Any relevant evidence shall be admitted if it is the sort of evidence on which responsible persons are accustomed to rely in the conduct of serious affairs, regardless of the existence of any common law or statutory rule which might have made improper the admission of such evidence over objection in civil actions. Hearsay evidence may be used for the purpose of supplementing or explaining any direct evidence but shall not be sufficient in itself to support a finding unless it would be admissible over objection in civil actions. The rules of privilege shall be effective to the same extent that they are now or hereafter may be recognized in civil actions, and irrelevant and unduly repetitious evidence shall be excluded.
- 10. By the mutual agreement of the parties, the County shall be allowed to have at least one (1) employee, who may be called upon to testify as a witness, present at the arbitration hearing at all times. The Union shall not unreasonably withhold agreement.

## Section 5. Voluntary Reduction in Lieu of Layoff

- A. A promotional probationary or regular employee who is subject to layoff may request a reduction to a lower class within the same occupational series in the layoff unit provided the employee possesses the minimum qualifications for the class and passes any required performance tests. The reduction shall be made if there is a vacant position in the layoff unit or an incumbent in the lower class in the layoff unit has fewer layoff points than the employee requesting the reduction. In the latter case, the incumbent in the lower class with the fewest number of layoff points shall be subject to layoff.

Where such notification is not in writing, the employee shall confirm the notification in writing as soon as practicable.

The Union may then request a consultant review as provided in Section 4.

If the County does not respond at the end of one hundred twenty (120) days or if the Union does not agree with a position classification decision of the County, after the steps in Section 2. have been followed, the issue may be presented to a classification consultant for advisory review. Other provisions notwithstanding, no more than twenty-five (25) positions may be referred to a consultant per fiscal year.
- B. The consultant's review shall be documented on forms supplied by the County and used by the County for documenting its classification decisions.

- Except as otherwise provided below, if legislation is not enacted into I. law by the California state legislature on or before March 1, 2010, authorizing the County of Orange to take the actions described Article XXI, Retirement, Section 1.E. and 1.F., any employee hired after March 1, 2010, shall be deemed to have elected and will only be eligible for the pension calculation stated in Section 31676.01 of the Government Code (the "1.62% at 65" benefit formula), and the employee shall be eligible to participate in the DC Plan described in Employees whose benefit is described in the Section 2. below. retirement formula contained in 31676.01 will make the normal employee contribution calculated under Section 31621 of the Government Code. Employees whose benefit is described in the retirement formula contained in 31676.01 will also make the contributions described in Article XXI, Retirement, Section 1.D.(2)-(6). Notwithstanding the foregoing, the legislation referred to in this subsection shall not be required to authorize members electing the pension calculation in Section 31676.01 (the "1.62% at 65" benefit formula) to pay a portion of the contributions attributable to past service liability under Article XXI, Retirement, Section 1.D.
  - 2. Irrespective of whether employees whose benefit is described in 31676.01 of the Government Code (the "1.62% at 65" formula), are required or permitted to make the contributions described in Article XXI, Retirement, Section 1.D.(2)-(6), it is still the intent of the parties that the implementation of the "2.7% at 55" retirement benefit formula shall be without additional cost to the County. Employee participants who are covered by the "2.7% at 55" benefit described in Government Code Section 31676.19 continue to be responsible for the entire cost of the retirement benefit improvement resulting from the adoption of the "2.7% at 55" benefit formula in Section 31676.19 of the Government Code.

#### Section 2. Defined Contribution Retirement Plan

A. Beginning on the plan commencement date, as defined in E.1 above, the County will administer a qualified DC Plan available to those employees who have elected or who have been deemed to have elected the additional retirement contribution stated in Section 31676.01 of the Government Code (the "1.62% at 65" benefit formula). These employees will be permitted to make voluntary contributions to a County defined contribution plan. The County will maintain the DC Plan and a County defined contribution plan and it shall require the County to make matching contributions as described in 2.B. below for employees whose benefit is described in Government Code section 31676.01 and who make contributions to a County Defined Contribution plan.

- В. During the first one-year period following the plan commencement date, the County will contribute a biweekly amount to the DC Plan for an eligible employee equal to the biweekly amount that the employee contributes to a County defined contribution plan, not to exceed two (2) percent of the employee's base salary (the "match"). During the second year and in subsequent years following the plan commencement date, the County will contribute to the DC Plan for an eligible employee a biweekly amount equal to fifty (50) percent of the biweekly amount that the employee contributes to a County defined contribution plan. The County contribution to the DC Plan shall not exceed two (2) percent of the employee's base salary, unless the Board of Supervisors authorizes additional County contributions permitted under Article XXI, Retirement, Section 2.(D). County contributions to the DC Plan shall vest on behalf of the participant after that participant has been continuously employed by the County for a period of five (5) years. For this purpose, one year shall be equal to 2080 paid hours of service, exclusive of overtime.
- C. Employee contributions to a county defined contribution plan and the County contributions to the DC Plan shall be subject to contribution limits imposed by the Internal Revenue Service. In no event shall the County be required to pay any portion of the matching contributions that would cause the employee to exceed applicable Internal Revenue Service contribution limits.
- D. The County shall form a study group. IUOE may designate one member to be part of the study group. The purpose of the study group shall be to develop and recommend to the Board of Supervisors criteria to be used to establish the County's future matching contributions to the DC Plan as described in Section 2.B. Notwithstanding the foregoing, the parties agree that at no time shall the County's matching contribution to the DC Plan be less than fifty (50) percent of an employee's biweekly contribution to a county defined contribution plan, nor shall the maximum amount of the County's matching contribution to the DC Plan be less than two (2) percent of an employee's base salary.

#### Section 3. Tax-Deferred Retirement Plan

The County administers an approved tax-deferred retirement plan which allows employees to reduce their taxable gross income by the amount of their retirement contribution. The plan shall be in effect for the term of this Memorandum of Understanding subject to approval by the Internal Revenue Service.

## ARTICLE XXII WORKSITE SENIORITY

All employees in the Unit shall accumulate seniority on a worksite basis within any single classification represented in this MOU. This seniority shall apply only for purposes of choice of shifts, transfers, and assignments and does not apply in other circumstances covered within this MOU (e.g. layoffs or overtime).

Worksite designations shall be established jointly with the Department and IUOE. The County shall provide a seniority list for each worksite by classification to IUOE's Chief Steward at the beginning of each calendar year.

There shall be no change to an existing employee's worksite seniority ranking when:

- a. an employee is reassigned to that worksite;
- b. an employee at a worksite accepts a promotion at the same worksite;
- c. a new employee is hired to that worksite.

The most recently reassigned, promoted or newly hired employee will have the lowest seniority in classification at a worksite. The choice of shifts, transfers and assignments by seniority may be made only when vacancies occur and provided that the employee is capable of performing the work.

For purposes of this Article, "vacancy" is defined as a position that either has been newly created for a worksite or has been vacated by a previous incumbent at a worksite.

# ARTICLE XXIII <u>IDENTIFICATION BADGES</u>

The County shall provide identification badges for the purpose of identifying employees of the Unit required to work in secured areas.

# ARTICLE XXIV MANAGEMENT RIGHTS

Any of the rights, powers or authority the County had prior to the signing of this Memorandum are retained by the County, except those specifically abridged, delegated or modified by this Memorandum provided that such management rights do not restrict employees from filing grievances concerning the application or interpretation of this Memorandum nor restrict the Union from consulting with management about the possible consequences of management decisions that affect employees in the Unit.

# ARTICLE XXV MODIFICATION AND WAIVER

Except as specifically provided herein, it is agreed and understood that the parties hereto reserve the right, only upon mutual agreement, to negotiate with respect to any subject or matter covered herein or with respect to any other matter within the scope of representation, during the term of this Memorandum.

# ARTICLE XXVI NO STRIKE/NO LOCKOUT

Except as provided in the IUOE Constitution and Bylaws, employees of the Unit shall not participate in any way in job actions taken by other employees of the County of Orange.

## Strikes

During the life of this agreement, no work stoppages, strikes or slowdowns that can be interpreted as job actions shall be caused or sanctioned by IUOE nor shall any lockouts be caused by the County.

# ARTICLE XXVII REIMBURSEMENT ACCOUNTS

#### Section 1. Dependent Care Assistance Programs (DCAP)

The County will allow employees to take advantage of a salary reduction program to pay for dependent care as permitted in the Internal Revenue Code.

#### Section 2. Health Care Reimbursement Account (HCRA)

The County will administer a health care reimbursement account that will allow employees eligible to participate in the County health plan the opportunity to allocate a specified amount of biweekly pre-tax salary into the employee's health care reimbursement account to pay for health care expenses as permitted in the Internal Revenue Code. The annual amount an employee is eligible to allocate is five thousand (\$5,000) dollars. The HCRA for this bargaining unit was effective January 1, 2005.

# ARTICLE XXVIII SALARY REOPENER

The parties agree that there will be a salary reopener in 2010 and 2011. Discussions will begin on or about May 1 of each year.

The overtime exception to payment for hours worked, Article II, Section 1.A., paragraph three, will be monitored and included in reopener discussions in 2010.
