

<u>Dana Point Harbor Receives Outstanding Grades</u> <u>from the California Clean Marina Program</u>

In an unprecedented action, Dana Point Harbor received a clean sweep of Clean Marina Certifications when the California Clean Marinas Program approved two Dana Point Harbor facilities, and recertified two others on the same day.

The addition of the OC Sailing & Events Center and Dana Point Yacht Club to the list of Clean Marina-certified facilities joins Dana Point Harbor's already certified East Basin Marina, West Basin Marina and Embarcadero Marina. Dana Point Harbor now has five facilities that are Clean Marina-certified and compliant. This accomplishment underscores the commitment of OC Dana Point Harbor Department to water quality, environmental stewardship and strong leadership.

"This is one more step towards having every aspect of Dana Point Harbor operate utilizing best management practices in conjunction with the Clean Marina Program. OC Dana Point Harbor continues to display in our actions our commitment to our environment by operating all areas of our department in a clean and green fashion," stated Brad Gross, Director, OC Dana Point Harbor.
