Residential Curbside Service with Three-Cart Recycling

CR & R is the exclusive hauler providing this service. CR & R maintains a three-cart recycling system – one cart for trash, one cart for commingled recyclables, and one cart for green waste. CR & R provides bulky item pick-up service two (2) times per year.

Commercial Service with Commercial Commingled Recycling

CR & R is the exclusive hauler providing this service. There is no recycling service fee. CR & R provides commercial commingled recycling (newspaper, junk mail, cans, plastics, glass). CR & R provides commercial cardboard recycling. CR & R also diverts commercial waste to a Material Recovery Facility (MRF) where recyclables are separated.

Multi-Family Commercial Service with Commercial Commingled Recycling

CR & R is the exclusive hauler providing this service. There is no recycling service fee. CR & R provides commercial commingled recycling (newspaper, junk mail, cans, plastics, glass). CR & R also diverts multi-family commercial waste to a MRF where recyclables are separated.

Electronic Waste (E-Waste)

Door-to-door pick-up service is provided for E-Waste disposal. One (1) E-Waste collection event is held each year at the Metrolink parking lot. The City also refers residents to the Anaheim Household Hazardous Waste Collection Center (HHWCC) for E-Waste disposal.

<u>Universal Waste (U-Waste)</u>

No curbside pick-up service or collection events are provided for U-Waste disposal. The City refers residents to the Anaheim HHWCC for U-Waste disposal.

Household Hazardous Waste (HHW)

No curbside pick-up service is provided for HHW disposal. The City intends to implement a door-to-door pick-up service in the near future for HHW disposal.

Medical Waste

The City does not participate in the Sharps by Mail program. The City intends to implement a door-to-door pick-up service in the near future for medical waste disposal. No curbside pick-up service is provided for medical waste disposal.

<u>Community-Specific or Other Recycling Programs</u>
The City provides a composting program through Fullerton Arboretum. Composting and vermi-culture classes are offered four (4) times per year. As an incentive, participants are provided with an opportunity to acquire a composting container at a discounted price.
