Vote Key: Y=Yes; N=No; A=Abstain; X= Excused;		

Special Notes: Commission Zenger asked if this project will ever be approved and will be able to comply with the requirements. Commission Lam is still concerned about not having enough maneuvering space, large enough parking stall size, and adequate parking. Constituents are requested to redesign the parking to adequately address the concerns. Additional concerns were also raised by Commissioners Lam and Zenger about adequacy of the 6ft high wall on the parameter of the trash enclosure. OC Public Works/Planning & Development Services staff need to be prepared to address the public testimony and concerns regarding these two projects.

ORANGE COUNTY PLANNING COMMISSION SUMMARY MINUTES

August 19, 2009

V. Reports from OC Planning

Commissioner Zenger asked how to convene the Public Facilities Corporation (PFC) meeting since there are no officers elected at the moment. County Counsel Roger Freeman advised the Commissioners to adjourn the Planning Commission Hearing first, then convene PFC meeting. Any of the Commissioners can open and close the PFC meeting; enough time to briefly discuss and continue the item(s) on the agenda.

Planning Commission Hearing adjourned at 1:47 p.m.
