GET COZY WITH A FAMILY WINTER READ

December 10 - January 7

Select a book from our giveaway titles to take home and read with your family throughout the winter 2022-23 holiday season.

Limit one book per family, courtesy of OC Read, while supplies last.

After reading your book, do one of the fun activities from the bookmark provided.

Once you’ve finished reading and completed an activity or two, return the bookmark with your name and contact information to be entered into an opportunity drawing for a Barnes and Noble gift card!

This program is provided in partnership with OC Read.
