

GROW IT NOW! COOL SEASON VEGETABLES

Presentation by the UCCE
Master Gardeners

Saturday
August 19
11am

From gourmet selections to a stir-fry garden, this presentation covers everything you need to know about starting and growing vegetables that you can harvest in fall, winter and early spring. UC Master Gardeners of will show you how to "start something" this weekend that you can harvest and eat throughout the cool season. Get tips for fitting more into smaller spaces and busy lifestyles.
