Dinosaur Dance!
by Sandra Boynton

Grown-up tip

Let's pretend to be dinosaurs and move just like them! Movement is essential to a child's brain development! The ability of the brain to create neural connections is tied to new stimulation and play experiences, plus pretend play provides opportunities for your child to use more advanced language. Get in on the play, but remember to let them lead the way.

Take a look at this!

Visit OC Public Library's Kindergarten Readiness webpage to see a video of this rhyme. Scan the QR code to find out more!

Dinosaur, Dinosaur

Dinosaur, dinosaur, turn around
(move in a circle)

Dinosaur, dinosaur, stomp the
ground
(make big stomping motions)

Dinosaur, dinosaur, swing your tail
(swish hips back and forth)

Dinosaur, dinosaur, let out a wail
(ROOOAAAARRRR)

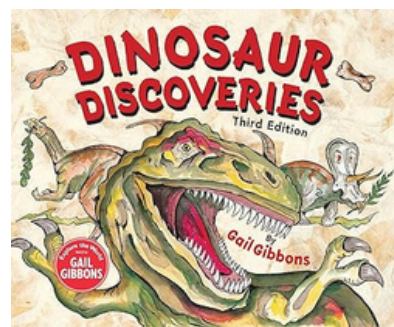

Dinosaur, dinosaur, show your claws
(hold hands up like claws)

Dinosaur, dinosaur, snap your jaws
(use arms in a chomping motion)

Dinosaur, dinosaur, turn around
(move in a circle)

Dinosaur, dinosaur, sit back down
(return to a seated position)
