Hap-pea Valentine's Day!
by Keith Baker

Put Your Stuffie* on Your Heart

*Stuffie can be changed to the Stuffie or object's name

Put your Stuffie on your heart,
on your heart (2x)

Put your Stuffie on your heart,
What a lovely way to start
Put your Stuffie on your heart,
on your heart

Put your Stuffie on your knee,
on your knee (2x)

Put your Stuffie on your knee,
And you'll both be filled with glee,
Put your Stuffie on your knee,
on your knee

Give your Stuffie a big hug, a big hug (2x)

Give your Stuffie a big hug,
Make him as snug as a bug in a rug,
Give your Stuffie a big hug, a big hug!

Grown-up tip

Using a prop adds a fun new element to learning a new song like this one. Choosing a prop such as your child's favorite stuffie makes the song even more active and engaging. Studies have shown that movement stimulates the brain and can make learning more memorable, so songs like this are a great way to teach things like body awareness and rhymes.
