

OC Public Libraries Presents

2026 SUMMER READING LIST

Recommended for Adults

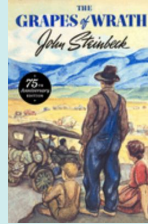

Parable of the Sower

Octavia E. Butler

A cautionary tale set in a dystopian California ravaged by climate change and economic crisis.

FIC BUTLER O

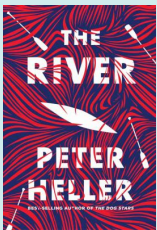

The Grapes of Wrath

John Steinbeck

An American classic chronicling an Oklahoma family's journey to California to become migrant farm workers.

FIC STEINBECK J

The River

Peter Heller

A canoe trip through the wilderness turns dangerous as wildfire and violence close in, testing friendship and survival against a beautiful and unforgiving landscape.

FIC HELLER P

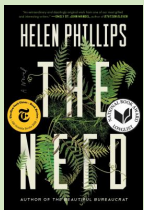

Witch of Wild Things

Raquel Vasquez Gilliland

In this magical novel, a rekindled romance, a family mystery, and Sage's ability to communicate with plants create a fun and captivating read.

FIC VASQUEZ GILLILAND R

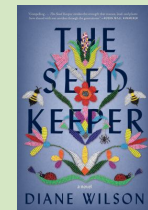

The Need

Helen Phillips

While excavating a strange hole, paleobotanist Molly keeps finding objects that don't make sense. Then an intruder breaks into her home who knows far more about her family than a stranger ought to.

FIC PHILLIPS H

The Seed Keeper

Diane Wilson

A beautifully told story of reawakening and remembering our original relationship with the seeds and, through them, our ancestors.

FIC WILSON D

Orange County, CA

SUMMER READING CHALLENGE

JUNE 15, 2026 - AUGUST 2, 2026

OC Public Libraries Presents

2026 SUMMER READING LIST

Recommended for Adults

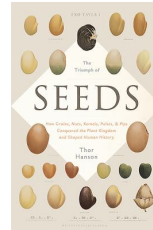

The Nature Fix

Florence Williams

An exploration of scientific research showing how exposure to nature boosts mood, focus, and creativity.

155.9 WIL

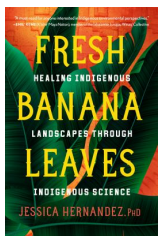

The Triumph of Seeds

Thor Hanson

A natural and human history exploring the profound impact of seeds on life, civilization, and the plant kingdom, detailing their evolutionary marvels and future implications.

581.467 HAN

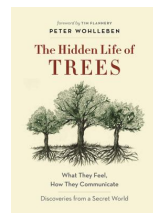

Fresh Banana Leaves

Jessica Hernandez

Environmental scientist Hernandez paints a portrait of how we can heal through Indigenous conservation methods.

304.2082 HER

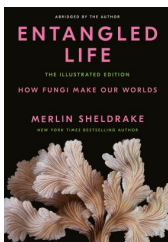

The Hidden Life of Trees

Peter Wohlleben

Forests come alive through systems of communication and support, where trees share resources, respond to stress, and build enduring communities over time.

582.16 WOH

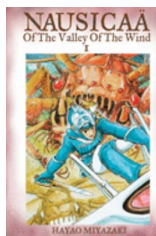

Entangled Life

Merlin Sheldrake

Beneath the soil, fungal networks form an unseen web of collaboration and dependence, quietly reshaping how life emerges, connects, and sustains itself over time.

579.5 SHE

Nausicaä of the Valley of the Wind

Hayao Miyazaki

A young princess who cares for giant insects hopes to restore peace and reverse the effects of a toxic jungle. [graphic novel]
